

## 2K Challenge Race Registration 2024 Osoyoos Dragon Boat Flag Race

We are offering this favourite timed team challenge again in 2024. The 2K Challenge will follow the official Flag races on Saturday, weather & time permitting. For the 2K race, teams start at the official finish line and paddle across the lake and back to the official finish line, navigating a fun and interesting course.

For 2024, we are requiring pre-registration for this event. We will endeavour to match Women's teams to race against Women's teams and Mixed teams to race against Mixed teams. You may participate as a club team. If your club does not have sufficient paddlers to compete as a team, we will assign individual paddlers from the sign up list of individuals, to a Women's or Mixed club boat.

TEAM NAME (if entering as a club): \_\_\_\_\_

Category:

Mixed

Women's
