

Osoyoos Lake Paddling Club

- **Registration** - Have you completed Registration/Waiver Form? Fees are due by **Monday, May 20**. Annual fee \$150. OLPC membership fee is an additional **\$25.00** and is mandatory for all **new** members for liability insurance coverage. Cheques are payable to Osoyoos Lake Paddling Club. E-transfer is available. Send to: osoyooslakepaddlingclub@gmail.com. Security question should be Name of Club – Answer is Desertsprite. Please note that the answer is all one word, no spaces. Electronic receipts will be issued. Refunds up to June 30 will be given on a pro-rated basis. Liability insurance premium is non-refundable.
- **Paddling Days**
Paddling Days are determined by the number of Coaches and Steerers available. We are planning to be on the water as follows:
 - Monday - Meet at 5:45pm on the water at 6:00pm
 - Wednesday - Meet at 7:45am on the water at 8:00am
 - Thursday - Meet at 5:45pm on the water at 6:00pm
 - Friday - Meet at 7:45am on the water at 8:00amWe paddle for approximately an hour (We are looking at adding a Sunday paddle).
- Make sure you have signed up for the days you want to paddle. We are a competitive and a recreational club. It is your choice. OLPC is planning on entering competitive events this year. Sign up for the potential Festival dates you want to attend before you leave. There **may** be an additional \$25 fee per person for each race event that you choose to enter. This is a separate cost to cover entry fees. This will be due prior to race day.
- Meet at Safari Beach to sign in. If you are unable to make your paddle day, let the club know. The club uses the TEAMY APP for day-to-day communication. New paddlers will receive information as to how to join. A back up for email is Betty Steinbart (dsteinbart@eastlink.ca) who will inform the coach.
- Paddling days may be cancelled due to weather conditions or too few paddlers available. Check TEAMY for updates on your paddling days. The weather can change and be different on the lake. Cancellation notices are given after 3:30 p.m.
- Club provides designated PFD's and paddles. Bring water to paddling days. Seating pads & gloves are optional but not supplied. Members may purchase their own club shirts through the club.
- Be aware that competitive practice days maybe designated on specific days. Space may be limited, on those days, to those who want to race competitively.
